1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-3 are rejected under 35 U.S.C. 102(b) as being anticipated by EP 0761378A (EP '378).

EP '378 disclose in the Abstract a process for joining metal parts comprising:

providing two metal parts;

inserting a powder metal compact comprising a metal with a melting point lower than the two metal parts between the two metal parts; and

heating by induction heating the compact so as to join the two metal parts without melting the two metal parts.
